## Class Captains!!!

There has been a growing interest towards participating as a Class Captain and getting involved in school activities. We find the Class Captain's role extremely important in order to strengthen class group bonds and increase attendance to the Alumni Homecoming.

### Which classes are we missing?

1962	1963	1964
1966	1967	1968
1969	1970	1972
1977	1979	1990
1996	1997	1998

### What is a Class Captain?

A Class Captain is a representative of a class group. This person is the primary link between the class and Colegio Bolívar. The class captain's involvement is needed to make sure that the things that matter the most to each class group are taken in consideration and for encouraging as many classmates as possible to attend the Homecoming. The captain's commitment is contagious to classmates, generating the excitement to "come home to remember" and invest in Colegio Bolívar's future!

### Get ready for a wonderful evening!

Classes from 1966, 1971, 1976, 1981, 1986, 1991, 1996, and 2001, don't forget to contact the Alumni Affairs Office at [cbalumni@colegiobolivar.edu.co](mailto:cbalumni@colegiobolivar.edu.co) if you need help with your class gatherings.

Class Captains let's get on the road and invite your classmates to enjoy an evening filled with memories and fun.

**We are proud to be CBA!!!**

### What does a Class Captain do?

The role as a Class Captain includes:

- **inviting** classmates back to CB for Homecoming by writing an invitation letter, e-mail, and/or making phone calls prior to the Homecoming event;
- **attending** the Homecoming;
- **gathering** classmates for own special purpose at the Homecoming (a special time is set aside for class gatherings);
- **encouraging** classmates; for example, to take this opportunity to support Colegio Bolívar through a reunion giving program (this could include choosing a class gift designation);
- **assisting** the Alumni Office in locating addresses of fellow classmates;
- **keeping in touch** with the alumni office so we can help make the job a successful one!

**A class captain does not need to work on its own! Why not invite 2 or 3 of your classmates to lend a hand?**

### What help is available to the Class Captain?

The Alumni Office will help in every possible way to make each class reunion a success! We will prepare and e-mail messages to classmates, put the Class Captain in touch with other class captains who can give some ideas, and be available to answer questions.

### Why consider serving as a Class Captain?

It is not a difficult or time consuming task and it is a lot of fun to touch base with former classmates. Our office will assist you in every way.

If you have questions or ideas for your reunion or special projects in celebration of your honored year, please feel free to contact Ximena Beltrán, Alumni Affairs Officer, at (57 2) 684 8600 / 555 2039 ext.277 or e-mail:
