My Favorite Animal

I have a favorite animal.
My favorite animal is big.
My favorite animal is strong.
My favorite animal has long hair.
My favorite animal can run fast.
My favorite animal eats grass.
My favorite animal is my horse.
I love my horse because
My dreams run on his pail.

Alliteration

In the land of alliteration
Something is the same
Listen and pay careful attention
Learn the rules of our game
Through my telescope I saw...
A big blue ballon blow by a bald ballerina
REFRAIN
Through my telescope I saw
A lovely lion that lost a lemon to a lady licking a lollipop

REFRAIN

Through my telescope I saw...
A baby boy bear tat broke his brilliant beautiful bicycle
On his birthday

REFRAIN

Through my telescope I saw...
A smelly slippery, skinny, small, sad snake

The Jumping World

Once upon a time
There was a jumping world.
He liked to jump and roll
He felt very rough.
He loved to eat things old.
He liked to go to race.

And his time he liked to waste.
He danced rock and roll
And watched the girls fall.
Oh what a crazy world!

Me and My Family

My dad is like a lion,
Eating all the time.
My mom is like a rose,
with her beautiful eyes.
My sister is like a little star,
shining all the time.
And I am like an eagle,
flying on my mind.

Alejandro Gòmez, Colegio Bolivar

Haiku

Stands next to a house
And gives oranges to its neighbors.

Diana Natalia Davalos, Colegio Bennett

Friends

They are always with you giving you
Good advice or helping us in problems
They are the companions that you have
When you are alone or sad
Friends can be boys or girls both are great Someone said
that friends are sent by God Even in heaven there are
friends

Andres Felipe Marmolejo, Colegio Bennett

Why

Why do we have wars
If we can have peace?

Why do we have darkness
If we can have shininess?

Why are we worrying about having money
If we don't have anyone to share it with?

Why are you hungry
If there's tons of valleys of fruits?

Why are we treating you differently
If I am the same as you?

Why do we hate people
If we can love them?

Why are we killing
If we were born to live?

And why have we done all these things
and stayed doing nothing?

I simply don't know why.

Isabella Tobòn, Colegio Bolivar

Imagine

Imagine a dog as green as a frog
Imagine a flower as tall as a tower
Imagine a mouse as big as a house
Imagine a snail as big as a whale
Imagine a bee as intelligent as me
Imagine a whale as thin as a tail
Imagine a fly

Alfredo Ulloa, Colegio Colombo Britanico

My Snowman

My sweet snowman
Is very different now
He has two delicious "sparkies"
As his two little eyes.
He has a different smile
He sings all day,
He knows how to be
An excellent friend.
Yesterday the wind
Caught his black hat
And hid it
In the mystery of the wild winds.
The climate is not good now,
My sweetest snowman
Is destroying it each day,
Everything is going away.
Winter is over
What can I do?
Just remember him
As an excellent friend.

Isabel Aristizabel, Colegio Cañaverlas

I Have a Pet

I have a pet that likes to get wet
And that pet likes to drive my jet
And he likes the net

Daniela Tejada, Colegio Bolivar

Colors

Colors, colors, colors
You have dark colors and light colors
Red is love
Blue is the sky
Green is nature
Pink is pretty
Pink is my family
I love my family
Thank God for my beautiful family

Melissa Rojas, Colegio Cañaverlas

My Little Hamster

I have a little hamster
It goes round and round in it's wheel
Eats many many cheeses
It is like a stuffed animal, soft beautiful and neat.
It wants to fly lik a bird
It wants to swim like a fish, but....
It wants more than any other thing...
To be Free.

Sebastian Muñoz Muñoz, Colegio Cañaverlas

The Mean Mice

I Abbé mice
That are very nice
That eat my rice
And take my price
My mice have taken ice
To put on my rice
I think my mice are not very nice.

Andrea Otoy, Colegio Bolivar

Sandwich Sister

I have a brother
8 years old
He is the youngest of the lot
I have a sister 17
She is the oldest of the three
But I am 10
Not young just 10
And I am the sandwich sister
I can't do what my sister does
"You are too young" mother said
Can I do what my brother does
"You are too old" mother complained
So what can I do then
What should I play
I want to stop being a sandwich sister
There must be a way
I thought for a moment
Then I got a conclusion
Stop being a sandwich sister it is a simple illusion
The only thing I can do
Is to have fun and pleasure
Because the fun a brother gives
You really can't measure.

Maria Antonia Rojas, Colegio Colombo Británico

Is There a Monster under my Bed?

My bed is moving
My bed can talk
Is there a monster
Or is it my dog
Oh mother of God
What's that under my bed
Is it you grandma
Is it you mum
Wait, I'm going to do
I'll look under my bed of course.
That's my teddy 'Goose'
Oh, it was my pet Ballow.

Eduardo Rubio Parra, Colegio Colombo Britanico
