

Strategic Plan

Mission

Colegio Bolivar is a bilingual community of creative learners which inspires its members to live our school values as catalysts of change who incorporate multiple perspectives and commit to the highest aspirations for the welfare of the individual, society, and Earth.

Values

Respect

Integrity

Personal Best

Curiosity

Autonomy and Responsibility

Sense of Bolivar Community

Social Commitment

Vision

Colegio Bolivar will be an exemplary learning community with individuals highly prepared to positively impact Earth and society.

Educational Framework

Deeper Learning is the process of transferring knowledge and skills from the classroom setting to real-world situations.

Intents

Well-being

Ensure that diversity, equity, and inclusion are foundational aspects of our community as we foster a school culture of socio-emotional well-being for everyone.

Personal Best

Assure that all students have the opportunity to fulfill their potential and meet the expectations of the Colegio Bolivar Graduate Profile.

Innovation

Provide a challenging environment where learners innovate and create to navigate a complex and changing world.

Sustainability

Lead our community to achieve a better and more sustainable future for all through knowledge building and problem solving.

Graduate Profile

Exemplify Good Character

Embody a Growth Mindset

Transfer Knowledge and Fundamental Skills

Be Catalysts of Change
